The Operations Center

21 March 1974

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT: Contact with the Center

STATINTL 1. At a meeting of the Management Committee on 20 February 1974 it was decided that in accordance with HN [REDACTED] dated 4 September 1973, the Deputy Director for Intelligence would continue to function as executive agent for the CIA Operations Center, but that the Center would be broken out of the Office of Current Intelligence and given its own identity as a separate unit in the DDI, as reflected in the attached chart.

2. We are sending you this notification at this time to expedite the communications flow to the Center and to clarify continuing confusion on this point. It is simply an interim notification until appropriate revision of the regulations can be made. It would be appreciated if you would pass along this change to your staff, especially to those members involved in notification for action, tasking, addressing mail, arranging for briefings and those associated activities which involve dealing with the Center.

[REDACTED]
VINCENT J. HEYMAN
Chief, CIA Operations Center
